

KEY CLUB®

Introduce your students to Key Club.

Give them the opportunity to lead, serve and make lifelong friends.

Key Club is a student-led high school service organization that has been changing lives and communities since 1925. Members build confidence and character, develop empathy, learn to be effective decision-makers, strive for academic success and create more inclusive environments in their schools, all while serving others.

Help students find a Key Club in your area.

Can't find a Key Club? No problem. Students can start a Key Club and may receive assistance from local Kiwanis volunteers.

KEY LEADER®

A WEEKEND LEADERSHIP EXPERIENCE

Encourage graduating 8th graders to discover their leadership potential.

Key Leader teaches students the skills they need to create positive change.

Key Leader is a youth retreat that uses team-building activities, group discussions and personal reflection to help students discover themselves. They'll learn how they relate to others, discover their values and see how they can collaborate, lead and problem-solve to achieve more for themselves, their schools and their community.

Where and when is the next Key Leader retreat taking place?
